Debating Club

Why Join the Debating Club at AABA?

If you're looking to sharpen your speaking, critical thinking, and confidence, the Debating Club is the perfect ECA for you! Within this club, you will learn the fundamentals of debating skills—from constructing strong arguments to delivering persuasive speeches and responding effectively under pressure.

As part of the club, you will also have exciting opportunities to participate in:

- Model United Nations (MUN) conferences, where you can take on the role of a world leader and debate global issues.
- Law Society debates, exploring real-world legal and ethical dilemmas.
- Emirates Literature Festival competitions, representing AABA on a wider stage.

By joining, you won't just improve your debating and public speaking; you'll also develop teamwork, leadership, research, and critical analysis skills—all of which are invaluable both in school and beyond.

So come along, challenge yourself, and develop amazing skills that will last a lifetime!

Proud to deliver

THE DUKE OF EDINBURGH'S
INTERNATIONAL AWARD

DUKE OF EDINBURGH AWARD

Why Join the Duke of Edinburgh's Award at AABA?

The Duke of Edinburgh's Award is one of the most prestigious youth development programmes in the world – and here at AABA, you have the opportunity to be part of it! By taking part in the DofE, you will challenge yourself to grow personally and achieve more than you thought possible. The award is built around four exciting sections:

- Volunteering – give back to your community and make a real difference.
- Skills – learn something new or take an existing talent to the next level.
- Physical Recreation – stay active, build resilience, and look after your wellbeing.
- Adventurous Journey – experience the thrill of teamwork, exploration, and the outdoors on an unforgettable expedition.

Completing the award demonstrates commitment, leadership, teamwork, and resilience – qualities highly valued by universities, employers, and scholarship programmes worldwide. Join the DofE at AABA to push yourself outside your comfort zone, gain lifelong skills, and create memories with friends that will last forever.

Take the challenge. Achieve something amazing.

National Identity Club

Why Join the National Identity Club?

The National Identity Club is the perfect place to celebrate and deepen your understanding of the UAE's rich culture, traditions, and heritage. This club will give you the chance to:

- Discover Emirati folk tales and stories that have been passed down through generations.
- Explore the heritage and culture of the UAE, gaining pride in the nation's history and achievements.
- Take part in the Eid al Ethiad (National Day) Committee, helping to plan and deliver exciting celebrations for the whole school.
- Learn about Al Sanaa, Emirati customs and values that reflect respect, resilience, and responsibility.
- Engage in creative activities that connect the Arabic language with national identity, making learning meaningful and fun.
-

By joining, you will not only celebrate your cultural roots but also become an ambassador of UAE heritage within our school community. The National Identity Club is about pride, connection, and belonging – helping us all to understand and cherish the values that make the UAE unique.

Join us and take part in honouring the UAE's story – past, present, and future.

SUSTAINABILITY CLUB

Why Join the Sustainability Club at AABA?

At Al Ain British Academy, we are proud to be a member of TASS (The Alliance for Sustainable Schools) – and our Sustainability Club is at the heart of this mission. By joining, you will play an active role in making our school and community more environmentally friendly, innovative, and future-focused.

As part of the club, you'll get involved in exciting and meaningful projects such as:

- Developing our hydroponics systems to grow fresh produce in sustainable ways.
- Supporting our Gently Used Uniform Shop, promoting reuse and reducing waste.
- Leading eco-initiatives around campus that reduce our carbon footprint and promote awareness.
- Working alongside peers to plan and deliver campaigns that align with the UN Sustainable Development Goals.

Through hands-on activities, teamwork, and creativity, you'll not only learn practical solutions to global challenges but also develop leadership, responsibility, and resilience – values we live by at AABA.

The Sustainability Club is your chance to be a changemaker, protecting our planet while inspiring others to do the same.

Join us and help shape a greener, brighter future for our school and our world.

Well Being

NEXT EXIT

WELLBEING & CHARACTER CLUB

Why Join the Wellbeing & Character Club at AABA?

At Al Ain British Academy, we are proud to be the first school in Abu Dhabi to achieve the prestigious School of Character Kitemark. This award recognises how deeply we embed our values of Respect, Resilience, and Responsibility into everything we do – and the Wellbeing & Character Club is a chance for you to be part of that journey.

In this club, you will:

- Promote and celebrate our school values across the community.
- Take part in activities that support student wellbeing, positive relationships, and personal growth.
- Work with our Wellbeing Prefects and Ambassadors, leading initiatives that make AABA an even more supportive and caring place to learn.
- Plan events, campaigns, and projects that encourage kindness, respect, and resilience in everyday school life.

By joining, you will develop your leadership and teamwork skills while helping to make a real difference to the happiness and wellbeing of those around you. This is a club about building character, supporting others, and leaving a positive legacy.

Join the Wellbeing & Character Club and help us continue to make AABA a school where everyone can flourish.

RESPECT
SHOWING KINDNESS,
UNDERSTANDING AND EMPATHY

SHOWING A TRUE DESIRE TO LEARN

SPANISH CLUB

Why Join the Spanish Club at AABA?

¡Bienvenidos! The Spanish Club is open to everyone – whether you’re a complete beginner, building your confidence at an intermediate level, or already an advanced language enthusiast.

In this club, you will:

- Learn and practise the Spanish language through fun, interactive activities.
- Explore the culture, traditions, music, and food of Spanish-speaking countries.
- Build your confidence in speaking, listening, reading, and writing Spanish in a relaxed environment.
- Connect with other students who share an interest in languages and global cultures.

By joining, you’ll not only develop valuable language skills but also broaden your cultural awareness and global outlook – skills that will serve you well in school, university, travel, and beyond.

Come along to the Spanish Club and say “¡Hola!” to new opportunities.

SCHOOL CHOIR

Why Join the School Choir at AABA?

If you love to sing, perform, and share music with others, then the School Choir is the perfect place for you!

In the choir, you will:

- Celebrate the joy of music while developing your vocal skills and confidence.
- Take part in our popular “Tuneful Tuesday” showcases, performing in front of the school community.
- Enjoy opportunities to perform in talent shows, assemblies, and special school events throughout the year.
- Work as part of a team to create harmonies, explore different styles of music, and put on inspiring performances.

Joining the choir is not just about singing – it’s about belonging, teamwork, and expressing yourself through music. Whether you’re an experienced singer or just enthusiastic to give it a try, there’s a place for you in the AABA School Choir.

Come and let your voice be heard – join the School Choir today!

CRICKET CLUB

Why Join the Cricket Club at AABA?

Cricket is more than just a game – it's about teamwork, strategy, and passion. At AABA's Cricket Club, you'll have the chance to:

- Develop your batting, bowling, and fielding skills with regular training and practice.
- Learn the importance of teamwork, communication, and resilience on and off the pitch.
- Take part in friendly matches and inter-school competitions, proudly representing AABA.
- Build fitness, discipline, and a love for one of the world's most celebrated sports.

Whether you're a seasoned cricketer or picking up a bat for the first time, the Cricket Club welcomes players of all abilities who are ready to work hard, have fun, and improve their game.

Join us at the crease – and be part of the AABA Cricket spirit!

STEM RACING

Why Join F1 in Schools at AABA?

If you're passionate about innovation, teamwork, and cutting-edge technology, then F1 in Schools is the perfect club for you! This global STEM competition challenges students to design, build, and race miniature Formula One cars, combining creativity with real-world engineering.

In this club, you will:

- Work as part of a team to design and test your very own aerodynamic F1 model car.
- Gain hands-on experience with engineering, coding, and 3D design software.
- Develop vital skills in leadership, project management, marketing, and teamwork.
- Represent AABA in local, national, and international competitions, showcasing your skills against the best.

F1 in Schools isn't just about racing – it's about innovation, problem-solving, and collaboration. It's a chance to explore careers in STEM, design, business, and engineering while having fun and competing on a global stage.

Join F1 in Schools and start your journey towards the fast lane of innovation!

LEGO LEAGUE

*INVITE ONLY**

Why Join LEGO League at AABA?

LEGO League is the ultimate opportunity to combine creativity, problem-solving, and teamwork while having fun with robotics and design. At AABA, our LEGO League Club gives you the chance to:

- Build and programme your own LEGO robots to complete exciting challenges.
- Work as a team to solve real-world problems through innovation and design thinking.
- Develop skills in coding, engineering, collaboration, and presentation.
- Represent AABA in FIRST LEGO League competitions, showcasing your ideas on a bigger stage.

This club is not just about building with LEGO – it's about building confidence, resilience, and responsibility, while exploring the world of STEM in a hands-on and engaging way.

Join LEGO League and turn your ideas into reality – brick by brick!

AFTER SCHOOL STUDY

Why Join After School Study at AABA?

Sometimes the best progress happens when you give yourself a little extra time to focus. Our After School Study sessions are designed to provide a calm, structured environment where you can:

- Stay on top of homework and coursework with the support of teachers nearby.
- Revise and prepare for exams, assessments, and university applications in a distraction-free space.
- Work alongside your peers, sharing ideas and building positive study habits.
- Use the time productively to get organised, ask questions, and build confidence in your learning.

After School Study is all about helping you take responsibility for your academic journey while building resilience and independence. Whether you need quiet time to focus, a chance to catch up, or a place to prepare for big goals, this is the perfect opportunity.

Join After School Study – because investing in yourself today leads to success tomorrow.

BOARD GAMES CLUB

Why Join the Board Games Club at AABA?

Step away from screens and dive into the exciting world of strategy, creativity, and fun with the Board Games Club! This is the perfect place to:

- Play a wide variety of classic and modern board games – from strategy to party favourites.
- Develop important skills like critical thinking, problem-solving, and teamwork while having fun.
- Make new friends, share laughs, and enjoy a relaxed space after a busy school day.
- Challenge yourself and others in games that test your logic, creativity, and resilience.

Whether you're a competitive player who loves a challenge, or you simply enjoy a good game with friends, the Board Games Club is open to everyone. Join us, roll the dice, and see where the game takes you!

ARABIC IGCSE BOOSTER

Why Join the Arabic IGCSE Booster at AABA?

The Arabic IGCSE Booster sessions are designed to give you the extra support and confidence you need to succeed in your exams. Whether you want to strengthen your skills or aim for top grades, this club provides:

- Focused practice in reading, writing, speaking, and listening tailored to the IGCSE exam requirements.
- Strategies for tackling past papers and improving exam technique.
- Targeted support on grammar, vocabulary, and comprehension to build accuracy and fluency.
- A supportive environment to ask questions, clarify doubts, and boost your confidence.

By joining, you will sharpen your Arabic language skills, develop effective study habits, and gain the tools you need to perform at your very best.

Join the Arabic IGCSE Booster and take your learning – and your grades – to the next level.

ENGLISH BOOSTER

Why Join the English Booster Club at AABA?

The English Booster Club is here to help you strengthen your skills and build confidence in one of the most important subjects for your future success. Whether you want to improve your exam performance or simply feel more secure in your English, this club will support you with:

- Focused practice in reading comprehension, writing, and analysis, tailored to IGCSE and A-Level requirements.
- Strategies for exam success, including essay planning, structuring arguments, and time management.
- Opportunities to expand your vocabulary, grammar, and critical thinking skills.
- A supportive environment to ask questions, work on weaknesses, and gain feedback.

By joining, you'll not only prepare for stronger results in exams but also develop communication skills that will benefit you across all subjects – and beyond school. Join the English Booster Club and unlock the power of language to achieve your best.

STEM - BASIC ELECTRONICS

Why Join the STEM – Basic Electronics Club at AABA?

If you've ever wondered how circuits work or dreamed of building your own gadgets, the Basic Electronics Club is the perfect place to start! This hands-on STEM club will give you the chance to:

- Learn the fundamentals of electricity, circuits, and components in a fun, practical way.
- Experiment with breadboards, resistors, LEDs, and sensors, bringing science to life.
- Work on exciting projects like simple alarms, light systems, and small electronic devices.
- Develop key skills in problem-solving, critical thinking, and creativity while exploring the world of engineering.

No prior experience is needed – just curiosity and enthusiasm! By joining, you'll build a strong foundation in electronics and open the door to future STEM opportunities in robotics, coding, and engineering.

Join the STEM – Basic Electronics Club and spark your curiosity into action!

PSYCHOLOGY BOOSTER

Why Join the Psychology Booster Club at AABA?

The Psychology Booster Club is designed to help students strengthen their understanding of key concepts and excel in assessments. Whether you are preparing for exams or want to deepen your knowledge, this club will give you the tools to succeed by offering:

- Focused revision on core theories, studies, and approaches required for Psychology.
- Guidance on essay writing, evaluation skills, and exam technique to boost performance.
- Opportunities to discuss and explore fascinating topics such as memory, social influence, development, and mental health.
- A supportive environment where you can ask questions, review past papers, and build confidence in applying psychological concepts.

By joining, you'll not only enhance your academic progress but also develop critical thinking, analysis, and research skills that are highly valued beyond the classroom.

Join the Psychology Booster Club and unlock the science of behaviour and the mind – while achieving your very best.

CHEMISTRY BOOSTER

Why Join the Chemistry Booster Club at AABA?

The Chemistry Booster Club is the perfect place to sharpen your understanding of one of the most challenging – and rewarding – sciences. Whether you want to build confidence, strengthen exam technique, or aim for top grades, this club will support you through:

- Targeted revision of core topics such as atomic structure, bonding, energetics, kinetics, and organic chemistry.
- Practice with past paper questions and strategies to tackle tricky calculations and extended responses.
- Step-by-step guidance to improve your problem-solving, practical skills, and application of knowledge.
- A supportive environment where you can clarify misconceptions, ask questions, and consolidate your learning.

By joining, you'll not only prepare effectively for exams but also develop resilience, independence, and scientific thinking that will support your success across all STEM subjects.

Join the Chemistry Booster Club and turn challenges into confidence – element by element!

BIOLOGY INTERVENTION

INVITE ONLY*

Why Join the Biology Intervention Club at AABA?

Biology is a subject full of fascinating ideas – from cells and genetics to ecosystems and human physiology – but it can also be challenging. The Biology Intervention Club is here to give you the extra support and focus you need to achieve your very best.

In these sessions, you will:

- Revisit and strengthen your understanding of core biological concepts.
- Work through exam-style questions and past papers to improve technique and accuracy.
- Get personalised guidance to tackle the topics you find most difficult.
- Build confidence in applying biological knowledge to real-world contexts and practical skills.

This club is all about helping you close knowledge gaps, refine exam strategies, and boost your progress in a supportive, structured environment.

The Biology Intervention Club is invite ONLY.

TABLE TENNIS CLUB

Why Join the Table Tennis Club at AABA?

Fast, exciting, and packed with energy – table tennis is a sport for everyone! The Table Tennis Club is the perfect place to:

- Learn and practise the fundamentals of serving, returning, and rallying.
- Improve your hand–eye coordination, reflexes, and agility in a fun environment.
- Take part in friendly matches and mini-tournaments, challenging friends and building resilience.
- Enjoy a social, inclusive space where players of all abilities are welcome.

Whether you're completely new to the game or already a skilled player, this club is about developing your talent while having fun and making friends.

Join the Table Tennis Club and see if you've got what it takes to smash your way to victory!

TOUCH RUGBY TEAM

Why Join the Touch Rugby Team at AABA?

Touch Rugby is a fast-paced, exciting sport that combines speed, agility, and teamwork – and it's open to everyone! At AABA, joining the Touch Rugby Team gives you the chance to:

- Learn the core skills of rugby – passing, movement, positioning, and strategy – in a safe, non-contact environment.
- Build fitness, coordination, and resilience through fun, dynamic training sessions.
- Work as part of a team, developing strong communication and leadership skills on and off the pitch.
- Represent AABA in matches, tournaments, and school sports events, showcasing our spirit and determination.

Whether you've played before or are completely new to the game, Touch Rugby is a brilliant way to get active, make friends, and challenge yourself in a supportive, team-focused setting.

Join the Touch Rugby Team and experience the thrill of the game – without the tackles!

GIRLS BASKETBALL

Why Join the Girls' Basketball Team at AABA?

Basketball is all about energy, teamwork, and determination – and the Girls' Basketball Team is your chance to shine on the court! By joining, you will:

- Learn and develop key skills in dribbling, shooting, passing, and defence.
- Build fitness, agility, and confidence through regular training sessions.
- Work as part of a close-knit team, developing leadership and resilience both on and off the court.
- Represent AABA with pride in friendly matches, tournaments, and inter-school competitions.

Whether you're new to basketball or already passionate about the game, this is the perfect opportunity to develop your skills, make lasting friendships, and experience the thrill of competition.

Join the Girls' Basketball Team and be part of something fast, fun, and unstoppable!

BOYS BASKETBALL

Why Join the Boys' Basketball Team at AABA?

Basketball is a fast, dynamic sport that builds skill, strength, and teamwork – and the Boys' Basketball Team is your chance to take part in the action! By joining, you will:

- Develop your abilities in shooting, dribbling, passing, and defence through regular training.
- Improve your fitness, agility, and resilience while learning to think tactically on the court.
- Work together as a team, building leadership, communication, and confidence.
- Represent AABA with pride in inter-school fixtures, tournaments, and competitions.

Whether you're a beginner keen to learn or an experienced player looking to compete, there's a place for you on the team.

Join the Boys' Basketball Team and bring your energy, passion, and game to the court!

FOOTBALL

Why Join the Football Team at AABA?

Football is the world's most popular sport – and at AABA, it's so much more than just a game. Joining the Football Team gives you the chance to:

- Develop your technical skills in passing, dribbling, shooting, and defending.
- Build fitness, teamwork, and resilience through regular training and matches.
- Learn to think tactically, improving your decision-making and leadership on the pitch.
- Represent AABA with pride in fixtures, tournaments, and inter-school competitions.
- Be part of a close-knit team where friendship, sportsmanship, and school spirit come first.

Whether you're an experienced player aiming for competition or new to the sport and keen to learn, the Football Team welcomes you.

Join the Football Team at AABA and bring your energy, passion, and skills to the pitch!

NETBALL

Why Join the Netball Team at AABA?

Netball is a fast-paced, exciting sport that builds skill, strategy, and teamwork. By joining the Netball Team at AABA, you'll have the chance to:

- Develop your abilities in passing, shooting, defending, and movement on the court.
- Build fitness, agility, and resilience while enjoying competitive and engaging training sessions.
- Strengthen your teamwork, communication, and leadership skills in a supportive environment.
- Represent AABA with pride in inter-school fixtures, tournaments, and competitions.

Whether you're new to the sport or already a passionate player, Netball is a brilliant way to stay active, make friends, and experience the thrill of competitive play. Join the Netball Team and be part of a fast, focused, and fun game where every pass counts!

ATHLETICS

Why Join the Athletics Team at AABA?

Athletics is all about testing your limits, building resilience, and celebrating achievement – and at AABA, our Athletics Team is the perfect place to unleash your potential. By joining, you'll have the chance to:

- Train and compete in a wide range of events, from sprints and long-distance running to jumps and throws.
- Improve your fitness, speed, strength, and endurance through focused coaching and practice.
- Develop key values of discipline, resilience, and determination, both on and off the track.
- Represent AABA with pride in sports days, inter-school competitions, and regional tournaments.

Whether you're a seasoned athlete or simply eager to give it a go, there's a place for everyone to shine. Athletics is not just about competition – it's about personal growth, teamwork, and achieving your best.

Join the Athletics Team at AABA and take your performance to the next level – one step, one throw, one jump at a time!

SWIM SQUAD

Why Join the Swim Squad at AABA?

The Swim Squad is for students who want to take their swimming to the next level and represent AABA with pride. By joining, you will:

- Develop your technique in all four strokes – freestyle, backstroke, breaststroke, and butterfly.
- Improve your speed, stamina, and overall fitness through structured training sessions.
- Build resilience, discipline, and determination in both training and competition.
- Represent AABA in galas, inter-school meets, and regional tournaments, showcasing your talent and commitment.
- Be part of a supportive team where sportsmanship, encouragement, and school spirit are at the heart of every race.

Whether you're already a competitive swimmer or looking to challenge yourself in a squad environment, this is the perfect opportunity to dive in and excel.

Join the Swim Squad at AABA and make waves with your talent and determination!

CIRCUIT TRAINING

Why Join the Circuit Training at AABA?

If you're looking to build all-round fitness, strength, and stamina, then Circuit Training is the for you! This high-energy workout is designed to push you to be your best through a mix of fun and challenging activities. By joining, you will:

- Take part in a variety of strength, cardio, and endurance exercises in a circuit-style format.
- Improve your power, speed, agility, and flexibility with regular training.
- Build resilience and determination while setting personal fitness goals.
- Train alongside others in a supportive environment that motivates you to keep going.
- Enhance your performance for other sports by improving your overall conditioning.

Circuit Training is suitable for all fitness levels – whether you're an athlete aiming to boost performance or simply looking to stay active and healthy.

Join the Circuit Training at AABA and push yourself further, faster, and stronger!
